

The interface features a dark background with the word "PORTFÓLIÓ" in large, bold, white, sans-serif capital letters. The interface is divided into several functional areas:

- Top Left:** A navigation bar with a dropdown arrow, the text "SOLO", another dropdown arrow, and a button labeled "ADD".
- Top Right:** Three buttons labeled "IMG", "VID", and "CAM".
- Left Side:** A vertical stack of controls including a horizontal bar, a slider, and a button labeled "LPF: 1.00". At the bottom left, there is a "1/8" button with a dropdown arrow.
- Right Side:** A vertical stack of controls including a "Preset..." dropdown, a "Background: 1.00" slider with an "EQLZ" button, a "Playback Speed: 1.00" slider, a "Reverb Mix: 0.19" slider, a "Reverb Decay: 0.89" slider, a "Master BPM: 120.00" slider, and a "Master Gain: 0.00" slider. At the bottom right, there are three buttons: "B" with a dropdown arrow, "MNR" with a dropdown arrow, and "STEREO".
- Center:** The word "PORTFÓLIÓ" is overlaid on a background image of a fern frond. Three small, semi-transparent image thumbnails are positioned around the text: one above the 'P', one to the right of the 'F', and one below the 'Ó'. Each thumbnail has a small 'x' icon in its top right corner and a small square icon in its bottom right corner.
